

Caleb Vergene

25912 La Cuesta Ave
Laguna Hills, CA 92653
(949) 613-3642
Email: calebverg@gmail.com

EDUCATION

University of California, Irvine CA — Computer Science

Laguna Hills High School, Laguna Hills CA

Weighted GPA: 4.73

EXPERIENCE

MAISS @ UCI — Professional Development Intern

Nov 2023 - NOW

- Hosted lectures on different languages and frameworks such as Python, Javascript, Flask, Django, SQL, etc...
- Collaborated with HACK @ UCI and IrvineHacks and hosted workshops to over 100 competitors.
- Organize panel speakers with companies such as Microsoft, Meta, and Amazon.

TikTok Business Program — Advertisement Creator

June 2020 - NOW

Created over 450 ad campaigns used by 170 major corporations (such as Fortnite, Voodoo, Tinder, etc...) generating over \$60,000 in revenue and exposure for my TikTok platform of over 160,000 followers.

ID Tech Camp @ UCI

June 2022 - August 2022

Learned about web development using core JavaScript, utilizing front-end and basic back-end development, version control, web development tools, responsive design, and HTML/CSS.

Inspirit AI - Scholar

June 2021 - August 2021

Explored AI concepts through interactive Python exercises in the Google Colab environment; Linear regression, machine learning, and natural language processing.

Mathnasium, Lake Forest — Tutor

January 2022 - February 2023

As a Mathnasium tutor, I adeptly guided up to four students concurrently, fostering a collaborative learning environment

SKILLS

Python / JavaScript Coding Experience

Video Editing (Adobe Premiere, Capcut) - created advertisements for companies such as Fortnite, Tinder, Voodoo, etc... under TikTok Creator Program

Public Speaking / Research - 9 MUN Conference Awards, MUN Secretariat / Advanced Trainer

LEADERSHIP EXPERIENCE

F.A.S.T. Tutoring Organization: President - Managed a team of 30 tutors, distributed over 350 leadership hours to tutors.

Founded an LLC - "Wild Ventures", through TikTok Creator Program (Generated \$60k in Revenue)

Serra Pantry Volunteer Leader - (150 service hours, shift leader)

National Honors Society (Top 5% of School)

PROJECTS

TikTok Video Scraper

Created a script searching for trending TikTok meme creators in the niche, downloading their 25 most recent videos, removing the watermark and cropping the video. This allowed my brand to automate searching for viral content for myself to repost, allowing my platform to grow and generate over \$6000 in just ad revenue from our 280M views.
