Summary:

- Have created **461** ads for **170** unique companies, generating tens of thousands of dollars.
- **326** of the ads I have made are still being run in ads and are being used by companies to this day.
- Have made over **\$60,000** from ad creation on TikTok

Overall, I learned how to adapt to the algorithm of TikTok by using fast paced editing videos and also how to meet company needs by creating hundreds of successful ads for numerous big name corporations.
